Re: *United States v. Karrem Nasr*, 24 Cr. 19 (AT)

Dear Judge Torres,

We write on behalf of both the Government and the defense to provide the Court with an update regarding the parties' discussions of CIPA-related issues triggered by the defense's CIPA 5 notice. The parties have conferred but need additional time to conclude their discussions. On or about tomorrow, February 4, 2025, defense counsel is expected to identify the specific facts they wish to prove using the classified materials they previously noticed. Thereafter, the Government will need additional time to formulate its position with respect to the use of the particular classified materials or portions of classified materials at issue. Accordingly, the parties request that they be permitted to provide the Court, on March 5, 2025, with an additional status update regarding their discussions of these issues.

Respectfully submitted,

DANIELLE R. SASSOON
United States Attorney
